The HOD Science

Dear Sir/Madam,

**RE: CSSP NATIONAL BIO KNOWLEDGE BATTLE 2018**

The Chemical Society of the South Pacific has listed as part of its annual event, The National Bio Knowledge Battle, competition for our budding Biologists.

On behalf of the Chemical Society of the South Pacific it is my pleasure to write to you and invite your school to participate in the *National Bio Knowledge Battle*. The competition is aimed to enable students to test their knowledge, meet students of other schools and understand the role of biology in our daily living.

The preliminary rounds of competition for the different zones will be held on **Saturday, 23<sup>rd</sup> June, 2018 at 1.00 pm** and the venues are as follows:

<b>Central/Southern Zone</b>	H104A and H104B - USP Laucala Campus
<b>Western Zone</b>	Nadi Muslim College and Kamil Muslim (Ba)
<b>Northern Zone</b>	Labasa Sangam SKM college (Labasa)

The questions for the competition will be in accordance to the Ministry of Education syllabi (Years 11-13) and the team members can be from any level as it is an open category. Since this is a competition, we expect students to know a **bit more** than what is required in their syllabi. The competition duration is **1 hour**.

**Entry will be given to 1 team/school.** The competition has an **entry fee of \$2.00/participant** and will be collected on the **day of the competition**. The format of the competition and the registration form are enclosed. Completed Registration Forms **must** reach the following address **on or before Friday, May 31<sup>st</sup>, 2018** by **post, fax or email**. *For schools in the West, please indicate your preferred venue.* Since CSSP is encouraging more student participation, **students participating in the Bio Knowledge Battle should not be participants in the Titration Competition and the Chem Knowledge Battle.**

We look forward to your schools participation.

Yours faithfully,

Krishneel Nand
