The HOD Science

Dear Sir/Madam,

RE: CSSP NATIONAL CHEM KNOWLEDGE BATTLE 2018

The Chemical Society of the South Pacific has listed as part of its annual event, The National Chem Knowledge Battle, competition for our budding Chemists.

On behalf of the Chemical Society of the South Pacific it is my pleasure to write to you and invite your school to participate in the *National Chem Knowledge Battle*. The competition is aimed to enable students to test their knowledge, meet students of other schools and understand the role of chemistry in our daily living.

The competition for the different zones will be held on **Saturday, 16th June, 2018 at 10.00 am** and the venues are as follows:

Central/Southern Zone	H104A and H104B - USP Laucala Campus
Western Zone	Nadi Muslim College and Xavier College (Ba)
Northern Zone	Labasa Sangam SKM college (Labasa)

The questions for the competition will be in accordance to the Ministry of education syllabi (Years 11-13) and the team members can be from any level as it is an open category. Since this is a competition, we expect students to know a **bit more** than what is required in their syllabi. This competition is for **1 ½ hours**.

Entry will be given to 1 team/school. The competition has an **entry fee of \$2.00/participant** and will be collected on the day of the competition. The format of the competition and the registration form are enclosed. Completed Registration Forms **must** reach the following address **on or before Friday, May 31st, 2018** by post, fax or email. *For schools in the West, please indicate your preference venue.* **Since CSSP is encouraging more student participation, students participating in the Chem Knowledge Battle should not be participants in the Titration Competition and the Bio battle.**

*In order to solve the ongoing issue with significant figures, we will place the rules for chemistry at the website. Secondly, to remove ambiguity, significant figure rules will be given out to all the schools this year and the final answers have been moderated and cross checked. We will also be using the **whole values and only be rounding off** at the final answer.*

We look forward to your response and participation.

Yours faithfully,

Nikheel Sharma

CSSP NATIONAL CHEM KNOWLEDGE BATTLE 2018

Registration Form

Name of the School: _____

Postal Address: _____

Phone: _____ Fax: _____ Email: _____

Name of Chemistry Teacher: _____

Teacher present on event day: _____

Name of Students in a group	Year
_____	_____
_____	_____
_____	_____

For schools in the West, indicate with a ✓ your preference of venue:

Nadi Muslim College, Nadi _____

Xavier College, Ba _____

Note: Entry fees \$2.00 per participant, to be paid at the time of competition at your chosen venue.

The filled in Registration Form MUST reach the undersigned on or before May 31st, 2018 by post, fax or email
