The Principal/HOD Science

Dear Sir/Madam,

**RE: THE CHEMICAL SOCIETY OF THE SOUTH PACIFIC (CSSP) - NATIONAL TITRATION COMPETITION 2018**

On behalf of CSSP, I would like to invite your school to participate in this year's **Titration competition**. This competition has been a yearly event on the CSSP calendar.

The purpose of the titration competition is to facilitate students to test their skills, knowledge; meet students of other schools and as a whole experience and explore the science of chemistry. Unfortunately, we can only allow a single competitor from every school in each division. Nevertheless, this competition is very competitive as the best students from each school are called upon to represent their schools.

The competition for the different zones will be held on **Saturday, 23<sup>rd</sup> June 2018** at the following venues:

**Central/Southern Zone:** USP Chemistry Labs, Laucala Campus, Suva

**Western Zone:** Nadi Muslim College, Nadi and Kamil Muslim College, Ba

**Northern Zone:** Labasa SKM College, Labasa

Senior Division (Form 6) 10.00 am – 12.00 p.m. (2 hrs)

Advanced Division (Form 7) 1.00 pm– 4.00 p.m. (3 hrs)

The experiment for this competition is selected in accordance with the Ministry of Education curriculum. As this is a competition, we expect students to know things **more extensively** than what is required in the syllabi.

Form 6: **Acid/Base** (application)

Form 7: **Redox Titration** (application).

The competition has an entry fee of **\$2.00/participant** and will be collected on the day of the competition. Filled Registration Form **must** reach the following address **on or before Friday, May 31<sup>st</sup>, 2018** by fax or email.

We look forward to your school's participation.

Yours faithfully,

Ms Janice Mani

National Titration Competition Coordinator – 2018
